New Business:

1. 3 in 1 breed show had the shaving removal sponsored and they took away their shavings and the 4H shavings which saved about \$600.00. Would like to waive the rental fee of \$300.00 if they do this again as it still saves money.
2. Approval for the new shavings bin was passed at council meeting.
3. Vihar did some ploughing down at the grounds and also did some clearing around the indoor so Hydro and Glacier Electric can get to the electrical so the mast can be fixed.
 - a. Erin motioned to spend \$300.00 on snow removal. This was seconded by Leslie. AIF
 - b. Ron motioned to spend \$700.00 on hydro. This was seconded by Anika. AIF
4. There is an updated clinic form as the NSC will only be collecting the clinic and stabling fees and the clinic organizer will be responsible for all money collected and paying all costs related to the clinic. Erin made a motion to pass a new clinic form for 2012. This was seconded by Anika. AIF
5. Needs to be clarified on the website what part of the grounds (what arena, round pen, etc.) will be used when booking rentals.
6. The \$30.00 weekly stall rental is not an option for non-members.

7. Washrooms have to be booked through the saddle club.
8. It is very hard to see in Barn C so will get a quote from Glacier Electric on putting in some more lighting.
9. Members of clinics do not have to have HCBC but it is strongly advised.
