Leah and Erin sent a letter to TOS Sue Bassett a while ago that NSC wants to exclude the BVFMS House area from NSC grounds but never heard back. They have sent a follow up letter.

- Tabled motion from last month "Erin motions that last year's remaining Bingo money and some of this year's Bingo money, up to \$8,100 goes towards redoing one side of the indoor arena with Suntuff panels" AIF,

motion carried.

- Sprinklers don't work, Gina will get quote to have them repaired.

Leah will write to TOS to request that they mow once a year for NSC. Gina motions we actively look to buy a mower. Tabled.
- 8.4. Canada 150 grant: Leah had applied for it but they said they had run out of money. They now have more money so Leah will check with TOS grant lady to find out if we can reactivate our application or need to re-apply.
